Help save tobacco prevention efforts in Ohio

Funding for ALL tobacco prevention in Ohio will end June 30, 2010. Come to Columbus and tell your legislators that you want tobacco prevention programs in Ohio.

All appointments will be scheduled for you. Join our luncheon, free of charge, for an additional opportunity to discuss this critical issue with your legislators. Training, including pre-event conference calls, will be provided to make sure participants feel comfortable with the process.

The event will be held at the statehouse and there is no cost to participate.

TO ATTEND PLEASE:

- RSVP by February 24 at the website below:
