## 2020-2021 Winners

***2021-2022 Theme "I Will Change the World By..."***

Congratulations to all our participants in this year's 2020-2021 National PTA REFLECTIONS Program! The children created and displayed many original, imaginative, and outstanding interpretations of this year's theme "I Matter Because...".

Behind the scenes are many dedicated parents, teachers, community partners, and PTA leaders that have helped to make this wonderful opportunity possible for our children. We are grateful to all of the volunteers for unselfishly giving of their time and talents and continued support of this program.

This year, thousands of students participated in submitting entries to their local units. The entries that we received at the state level were truly outstanding. All of the children who participated are to be congratulated for their handiwork in Literature, Music Composition, Photography, Visual Arts, Film/Video Production and Dance Choreography.

Judges this year were from various professions across the state. Some were from professional associations in their field of expertise, artists, teachers, and professors in the arts. We thank them for their time, talent, and support of the arts on behalf of the children of Ohio PTA.

We are excited to announce the 2021-2022 National PTA Reflections theme of "I Will Change the World by...". It is never too early to begin working on your creative ideas for next year's theme. We look forward to next year and continuing to foster the love of the arts for all the children throughout the state of Ohio.

Thank you to all who were creative and patient in finding ways to make this program a success in all your schools. We truly appreciate all your hard work and know this was a very challenging year.

Congratulations to all our Ohio PTA Reflection Winners, we are so proud of you!
