

Ohio PTA Committee Opportunities

Ohio PTA has ways to jump in and get your feet wet by joining a grassroots committee! Please see the brief summary of these committees below and reach out to your Region Advisor or VP Field Service - vpfieldservice@ohiopta.org if you would like to learn more.

Advocacy Committee - Aids the Advocacy chair in implementing the advocacy efforts of the Ohio PTA as it applies to monitoring the legislative bodies that make policy for education and other children and family issues.

Diversity, Inclusion, and Outreach Committee - Works with the DIO Chair to provide information to Ohio PTA members to help ensure that local PTAs are inclusive, making each family feel invited and valued and that each family has a sense of belonging, and promotes/creates programs to educate leaders and members on the needs, cultural beliefs, traditions and family structures of the population they serve.

Education Committee - Assists the Education Chair in carrying out efforts to provide Ohio PTA members with information about changes in education practice and news about progress of education reform.

Family-School Partnership Committee - Assists the FSP Chair in promoting the standards for parent involvement, building partnerships in the community, parent involvement opportunities, parent education for family responsibilities, and helping understand the role they play in a child's education.

Health, Welfare, and Safety - Provides members with information about health, welfare, and safety issues and legislation regarding children and families.

Media/Marketing Outreach Committee - Works with the Media/Marketing Outreach Chair to carry out public relations efforts to promote awareness of Ohio PTA and its programs.

Member Services (Membership) - The Member Services Committee is charged with the responsibility of promoting membership in local PTA units/councils throughout the State of Ohio. Assist the Member Services Chair in promoting the purpose of membership and incentivise membership growth.

Reflections - The Reflections Committee recognizes the participation of children and youth, preschool through grade 12, in the Ohio PTA and National PTA project designed to stimulate student participation in the arts.
