Gold Key Leadership Award
Second Step

The Ohio PTA Gold Key Leadership Award Program was created to develop and strengthen PTA leadership. The Gold Key Leadership Awards provide basic training, advanced training, and continued development of PTA leaders. It is easy to complete the requirements to earn the Gold Key Leadership Awards!

The First Step of the Gold Key Leadership Award recognizes the leadership accomplishments of Ohio PTA members. The Second Step of the Gold Key Leadership Award continues development for those PTA members who choose to further their skills and become PTA leaders. The Third Step of the Gold Key Leadership Award develops the skills of PTA leaders to further promote the Mission and Purpose of PTA.

Each step of the Gold Key Leadership Award has five required trainings/activities to complete. Additional trainings/activities are also required for each step, with the Second Step requiring completion of 7 out of 10 options. Many of the programs, workshops, and conference requirements are provided both at the state and local levels, and virtual course options are available for some requirements as well.

The Gold Key Leadership Award steps may each take up to three years to complete. After completion of the Second Step of the Gold Key Leadership Award, submit your form to Ohio PTA using the link or QR code on the back of this form. Then you can begin the Third Step of the Gold Key Leadership Award.

The mission of the PTA can only be realized through the involvement and commitment of our PTA leaders!
