

TopKid

fundraising with character

The TopKid “Lead with Character” Fundraising Program - A program that actually focuses on the kids

Hi, I’m Michael. I was a PTA president. I know exactly how it feels to spend so much time on fundraising for the PTA, not getting the results you want, bothering the same parents, and wondering what the kids are getting out of it.

TopKid exists because PTA leaders and school communities deserve better than that.

Here’s what we do: we come to your school, teach daily character lessons, get your students genuinely excited about fundraising for their school, and run the entire event from start to finish. You show up and enjoy it.

Real Ohio Schools. Real Results.

The results speak for themselves. Read our Case Studies!

Location	Result
Case Study 1 - Worthington, OH	+60% over previous year
Case Study 2 - Groveport, OH	10x Raised over other events
Case Study 3 - Worthington, OH	3x their previous year

What PTA Leaders Are Saying

“ We more than doubled our fundraising outcome compared to our previous year! Michael was incredibly committed, present and the kids loved him!

Principal

“ Congratulations on a job well done. I feel confident I can speak for the group in that the final tally is well beyond what we could have imagined. I can also say my kids had a great time. They were very enthusiastic about the lead up to the event and the event itself.
