Spark Good Resources

Walmart Spark Good brings together all our community giving programs under one brand and empowers local organizations to engage with customers and associates to support causes they care about. Organizations wanting to take advantage of Spark Good resources must first become verified through Deed, a third-party verification provider, and create a Spark Good account on Walmart.com/nonprofits.

Round Up

Customers can round up their purchase total and donate their change at checkout on Walmart.com and in the Walmart app to a public charity or school of their choice.

Registry

Create and manage a registry with a list of products customers can purchase and ship to your location of choice.

Storefront Reservation

Request space in front of your local Walmart to raise funds and drive awareness.

Local Grants

Organizations are able to apply for local grants, ranging from \$250 to \$5,000 which are designed to address the unique needs of the communities where we operate.
